

# NEWSLETTER MAY 2018

## News and Notes from the Newsletter Editor:

This brief newsletter will provide an update to announce details of the Annual Meeting, give a brief report on recent events, and announce the planned Spring Event at Waterford.

At the AGM on May 30<sup>th</sup>, you will receive the Annual Report for 2017 from our Chairman John Kneale and the Annual Financial Statement from Secretary Treasurer Ray Wright.

We will have an election of directors. Four directors will continue as their terms have not come up for renewal. At our March Executive meeting the Directors appointed myself (Jean Farquharson) as an interim Director. Other Directors may be appointed at the AGM.

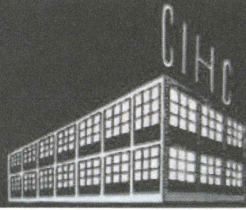

Your next newsletter will have reports on recent interesting developments. Here is a brief report:

The City of Brantford held a workshop to obtain public input regarding a *Brantford Heritage Register*. Part of a requirement of the *Heritage Act*, the *Brantford Register* is a compilation listing structures in Brantford that might be considered for designation. Rob Adlam, our representative on the Brantford Heritage Committee, and two other Directors attended to be certain that Commercial and Industrial sites were on the list. The City has also held the first workshop in a series to receive public input on how to develop the Mohawk Lake District. See the city's website for more information.

We encourage you to continue to support CIHC by renewing your membership, attending our AGM and also the Special Grand Opening Gala Event on Saturday, June 16<sup>th</sup> at 1:00 p.m. at the Waterford Museum.

Rob Adlam has been working diligently to acquire a unique experimental Cockshutt tractor from a private collection, and to arrange with the Waterford Heritage and Agricultural Museum the celebration on June 16<sup>th</sup> at 1:00 p.m. See the ad below, and please mark your calendars and plan to attend.
